Agreements

Rx.C.A. operate within :

- *National Health Service*

<i>Redacted:</i>	<i>Approved</i>	<i>Date</i>	<i>Ed.4 Rev.0</i>
DS/DT	AU	30.09.18	<i>Pag. 6 di 10</i>

Regional Health Service

The Services of Laboratory Analysis is provided both privately and by accreditation with the Regional Health Service. In order to have the exams with convention, during the acceptance, the Patient must have: the prescription correctly compiled in every field of competence by the Doctor

- The sanitary card
- The fiscal code

Where provided, the Doctor must handle in the special field the code of exemption.

Attention

In every prescription can be demanded no more than 8 examinations. If among the demanded examinations some are exempt from the payment of the ticket, these must be demanded on different prescriptions, for the performances submitted to the payment of the ticket, the other for the exempt performances from the ticket. The Doctor must transcribe on the prescription:

- name - last name - age - of the Patient
- fiscal code
- possible code of exemption
- examinations requested (pointing out "suggested" in case of specialisti prescription)
- date – stamp and signature of the Doctor.

The table of charges applied to the Patients with exemption it is equal to that of the National Health Service named Ticket.

The payment of the ticket and the specialistic performances must be effected before the execution of the performances near the Front Desk.

The citizens without exemption are kept to the payment of the performances according to the rates in force, up to the competition of the anticipated import from the normative in action.

The amount of the performances can be also paid with ATM or Credit card.

For performances of Laboratory, near the Front Desk, is available the relative table of charges.
